Featuring Tom Leach

Tom Leach is "the Voice of the Kentucky Wildcats" for men's basketball and will soon start his 26th in the same role for Kentucky football. When he's not giving play by play calls for UK games, Tom hosts "The Leach Report," a daily statewide radio show on Kentucky sports.

Tom also provides expert thoroughbred racing via KeenelandSelect.com and the Keeneland social media channels. We look forward to Tom breaking down the 149th Kentucky Derby field for us and sharing his top picks for the greatest two minutes in sports!
